Dear colleagues,

As Canadians are embracing social distancing to protect each other from the coronavirus, LCIC will also be playing our part. We have therefore canceled our upcoming 2020 Lean Construction Institute of Canada conference and training day in Winnipeg.

Both CCA and LCIC remain champions of applying Lean principles to construction and we look forward to a time in the future when we can again gather together and share best practices. In the meantime, we will be looking at alternative ways we can engage our members and help support your Lean journeys. For those of you who haven’t already, I would suggest reaching out to your local Community of Practice. Things may be quiet for the next few weeks, but I’m sure they’ll have some great events in the months to come.

Those of you who had already registered will receive a separate email describing the next steps regarding your refund.

If you have any questions, please contact Zack Mullins at zmullins@cca-acc.com or 613-236-9455, ext. 442.

Stay safe, and I wish you the best as we all get through these trying times.

Sincerely,

Bob Hildenbrandt
Chair, Lean Construction Institute of Canada
